Bob Xie

User Growth- Marketing Director

- Business Experience

2011.05-2014.06 'PuPu' Campus information network (www.pupu333.com) Founder &CEO

I set up a team of 3 people to start the website design and development from 0 to 1.

Fortunately, Pupu became the most active local college student BBS forum in Shanghai from 2011 to 2012, the cumulative number of clicks on the website broke through 10 million at the end of 2012, and won many awards including the National Undergraduate Entrepreneurship Competition. The website has accumulated revenue of 218,000 yuan.

- Honor

2016 Individual Outstanding Contribution Award in MEITUAN DIANPING: This award was awarded for helping the group to directly finance/recover ¥114 million.

2017 Shanghai Jing'an District Excellent Youth League Member—Awarded at 2018 Youth Day

2014-2019 Five positions have been promoted in the past five years

- Work Experience (2014.02 -)

2017.06- **Performance Marketing Director in DIANPING Channel Center**

(Channel Business Development Group & Vertical Business Promotion Group & Business Commercialization Group Leader)

2. **Responsible for Dianping App new activation and Dau, build user growth system, develop channel budget strategy, and be responsible for LTV and CAC**
- d. Integrated channel middle platform: coordinating application stores, information flow, vertical media and other online channels, allocating budgets for each channel, maximizing the group's revenue from controlling marginal cost.
- e. Analyze and build user lifecycle systems, explore and optimize AARRR path breakpoints, iterate product invitation sharing & loss management system, and continuously optimize MVP
- f. Foreign business exports such as cross-industry cooperation example: car system service output (Mercedes&Benz BMW) /Android Wear luxury series pre-installed/black pearl restaurant guide spread

2. Promotion of the Vertical business (O2O General Division: Beauty, Medical Beauty, Parent-child, Recreation, Learning, Home Improvement), Responsible for each business Dau, Leads, GTV, ROI

- a. Establish a business promotion system from scratch, Analysis of product positioning and strategy through STP theory; from brand asset management to marketing project execution, complete business promotion full link marketing.

As of June 2019, all business line traffic increased by an average of 47.7% year-on-year, of which medical and beauty business rose more than 100.0%.

- b. Explore the core business and processes within the company, build basic data (marketing) models for integrated operations, dynamically monitor industry delivery costs, and achieve OCPC, OCPL costs.

In the core traffic scenario, the competing products are successfully intercepted, and the multi-service matrix forms a traffic matrix outside the station to complete the closed loop of the local life scene.

- c. Responsible for business IP promotion and event promotion, including the 2019 DIANPING bar guide, 2019 medical beauty 618 promotion, 2018 comprehensive double 11 promotion.

3. Merchant aggregation page commercialization (Entrepreneurship projects within the company: responsible for the budget consumption of merchants, the return on investment of merchants, and the platform of return on investment)

- a. Build a commercial out-of-station distribution system, and open up the front-end sales side merchants investment & operation middle platform & back-end channel marketing system to achieve double revenues for the company and merchants.

As of June 2019, the project has contributed a total of 26 million yuan in revenue to the group, with a target

completion rate of over 160.0%.

b. Internally coordinate various business lines, comprehensively analyze industry conditions, actual product status and user attributes, and optimize existing commercial product forms

c. Build a data model to analyze the traffic distribution of merchant aggregate pages, based on the ad fill rate, the in-site minimalist algorithm, and the device label to improve the precise delivery strategy.

2014.09-2017.06 Marketing Manager

(iOS Promotion Group & External Cooperation Group & New Customer Operations Group Leader)

1. Responsible for DIANPING App iOS traffic (DAU, MAU, new activation, new customer). During the period of employment, DAU is 3.3 times, and the new activation is 4.5 times (including natural growth).

a. Build an iOS promotion system: Develop an iOS promotion strategy, allocate channel budgets, and create a “five-latitude method” channel management method. During the period of employment , iOS Dau stays twice as fast as Android .

b. Apple public relations excavation (occupying the App Store free list and hot search list & getting the App Store's most popular app of the year), and I was invited to be a closed-door sharing guest during WWDC

2. Responsible for cooperation between different industries, help brand equity landing and image dissemination, and explore a set of more effective ways to share enterprise resources to attract customers

a. Responsible for business excavation and public relations of Tencent and Netease, and cooperation of various product levels, among which game prop model is most affirmed and imitated by peers.

b. Representative Case: Dianping - NetEase Cloud Music - I have a big meal for you (winning the Gold Prize for Creative Creativity and Silver Award) , Dianping – Tik Tok - Wise Eye (record of praise for Tik Tok on that day)

3. Responsible for new customer products, new customers doubled 1.7 times in-service, new customer retention rate doubled 1.0 times.

a. Build a sales promotion platform, subdivide the user structure (preference portrait), create a buying point - retain users, refine the operation of all levels of traffic.

b. Receive channel new activation users, responsible for the funnel of each user's path, improve new customer conversion rate, repurchase rate and new activation retention rate

2015.03-2015.06 Head of Android Marketing

1. Responsible for App Android Marketing Promotion (DAU, MAU, New Activation, New Customer). New Activation increased by 27.4% while in-service, and the cost of new Activation decreased by 17.6% (including natural growth).

2. Responsible for all Android channels such as the App Store
